HAANS'

RESTAURANT

N. E. Cor. 75th St. and Columbus Ave.,

is the only first-class establishment on the West side, and in many respects the most unique in the city.

In its artistic appointments, in the excellence of its cuisine, and in the quiet perfection of its service it is an ideal place for After-Dinner and Theatre Parties, and as such it particularly appeals to the residents in that vicinity.

The menu is one of unusual interest. It embraces every delicacy known to the culinary art. A specialty is made of shellfish and game. Everything is moderately priced—so much so as often to incite both surprise and comment. There are private dining-rooms, and music every evening.
